Click on the three dots to update your profile image (click on the head image and select an image from your device) and update your username (by default this uses the first part of the email address)

The main page will also allow you to update your personal and contact details at any point.

Currently website membership is only used to control access to members content. In the future further functions could be added e.g. blogs and chat.

CLUB MEMBERSHIP INFO AND SIGN UP FORM

Once you are logged into the website members area you will be able to access the members pages and content.
